“THE INTERNATIONAL CITY OF
GASTRONOMY & WINE”

A friendly town in the heart of the Burgundy region. Famous for its wine, mustard, blackcurrant liquor, gingerbread and of course its gastronomy.

Come and visit the old town full of beautiful architecture and historic buildings such as the Palais des beaux arts (art museum), Palais des Ducs de Bourgogne (city hall) along with the Philippe le Bon tower (at the top if you're lucky you can see THE MONT-BLANC). While you're here why not treat yourself to one of our many Michelin starred restaurants...

THE CHOICE IS YOURS!
